Hon. Michael A. Meighen and the Atlantic Salmon Federation (ASF)
invite you to join us for a

Cocktail Reception and Movie Screening

Saturday, July 28th

Dr. Wilfred M. Carter Atlantic Salmon Interpretative Centre, Chamcook, NB

6:30 Cocktails and Smoked Salmon

Smoked salmon is from ASF's land-based closed-containment aquaculture project and is smoked by St. Mary's River Smokehouses. Hon. Michael A. Meighen, ASF Chairman, and Bill Taylor, ASF President, will bring remarks on this innovative project and ASF conservation efforts.

7:30 Presentation and Movie Screening – “Atlantic Salmon – Lost at Sea”

by Deirdre Brennan, Producer

Deirdre will share stories about the people she has met through her filming – people passionate about protecting our planet and, in particular, our wild Atlantic salmon. She will show highlights from her exciting and ground-breaking film; “Atlantic Salmon-Lost at Sea”. The film takes the viewer on an epic journey through the oceanic kingdom of the Atlantic salmon in an attempt to solve the mystery of their life at sea and determine the cause of their alarming decline in their marine environment.

Admission is free. Donations to ASF are appreciated.
